## **NATIONAL SPEECH & DEBATE ASSOCIATION ANNOUNCES**

### **2023-2024 SPEAKING AND SERVICE AWARD WINNERS**

*Students earn this award when they reach the maximum number of Honor Society service points in a given school year.*

DES MOINES—The National Speech & Debate Association is proud to announce the winners of the 2023-2024 Speaking and Service Award, which recognizes students who have reached the maximum number of service points in the student Honor Society. From more than 130,000 members, fewer than 717 students received this recognition.

The National Speech & Debate Association's Honor Society recognizes students for participation in speech and debate activities. Students earn distinction through speech and debate competition, as well as community service, public speaking, and leadership activities. Example service activities include judging a speech or debate round or coaching a practice for younger competitors.

"These students have demonstrated their strong commitment to using their speech and debate skills to help their peers, community, and this activity," said National Speech & Debate Association Director J. Scott Wunn. "The Speaking and Service Award not only represents hours of work on behalf of others, but is evidence of these students' culture of service. We are proud of their achievements!"

### **About the National Speech & Debate Association**

The National Speech & Debate Association is the authority on public speaking and debate in the United States. The Association builds the infrastructure for speech and debate competitions around the world by providing topics, educational resources, and training for students and coaches. For 100 years, the National Speech & Debate Association has built a platform for youth voices that culminates in the National Tournament, the largest academic competition in the world. For more information, visit [www.speechanddebate.org](http://www.speechanddebate.org).
